

Naim Fakir

Front End Developer

naim.saim74@gmail.com | 01953570992

Summary

I really enjoy making website! I focus on my front end development, where I turn Figma design into responsive web templates. I use React.js to bring them to life and make them look great and work well.

Featured Project

Share Your Emotion (SYE) Social Media Platform

Tailwind CSS React.js Redux JavaScript Vue.js

More Challenges

- Add to Cart Functionality
- Get data dynamically
- fetch api
- redux toolkit
